

# AIR CANADA ANNOUNCES NON-STOP SERVICE TO VANCOUVER

Effective 14 December, 2007, Air Canada will introduce a daily NON-STOP service between Sydney and Vancouver using its new 777 aircraft. Air Canada thus becomes the only airline offering a non-stop service between Australia and Canada.

Air Canada has timed its new Sydney-Vancouver non-stop service to offer customers a vast array of time saving connections to and from points throughout North America and Australia.

Flight #	Daily Departure		Arrival	
AC034	Sydney	11:35	Vancouver	06:40
AC033	Vancouver	23:45	Sydney	09:50+2

The carrier's new non-stop routing will shave more than three hours off the current one-stop routing via Honolulu, and will also avoid the necessary U.S. Customs and Security procedures by flying direct to Canada.

Air Canada's 777-300ER aircraft are configured to provide a choice of 42 Executive first Suites and 307 seats in Economy Class and the new 777-200LR that will be operated on the Sydney route from 01 February, 2008 will be configured with 42 Executive First® Suites and 228 seats in Economy Class.

Air Canada's new in-flight product features lie-flat beds in its international Executive First® cabin, the only North American airline to offer the comfort and privacy of lie-flat beds in business class. All customers will enjoy digital quality personal seatback entertainment systems with 80 hours of video and 50 hours of audio on demand, as well as standard 110 volt electrical outlets at arms reach.
