

The accounts manager at Sun Peaks Accommodations Corporation is dedicated to assuring our homeowners' financial success with their property at Sun Peaks Resort. As a standard, we offer our homeowners monthly and year to date financial statements each month. Statements and cheques are mailed to each homeowner by the 15th of the month. It is our desire to work closely with our homeowners to obtain the maximum revenue possible.

I am here to assist you, the homeowner; with any questions you may have regarding your financial and tax questions. I, as the accounts manager, have an abundance of resources available at my fingertips should you desire, and take great satisfaction in being able to assist. No question is too small, nor will it go unanswered.

Direct deposit to any Canadian bank is available upon request. GST collected on accommodations will be included in revenue paid to registered homeowners and submitted to Revenue Canada for those homeowners not registered for GST.

I look forward to all communications with our homeowners.
